

Cruising ahead

Safe, comfortable transportation to your appointments

We don't want you to worry about how you'll get to your medical appointments. Instead, we want you to focus on what matters, like your health and treatment plans. That's why Aetna® offers optional, nonemergency transportation that gets you there and back.

Rides are provided through Access2CareSM, a leading medical provider. Your plan covers 24 trips per plan year with a 60 mile limit per trip. If you need a ride to and from the doctor, you'll use 2 trips.

What's great about the transportation benefit?

- **Convenience** — You can schedule rides for medical appointments.
- **Save money** — These rides are included with your plan at **no extra cost**.
- **Safety** — Professional drivers will bring you comfortably and safely to your destination. And in a vehicle that suits your needs.
- **Improved health** — When you have an easy, reliable way to get to appointments, you're more likely to get the health services you need. This can help you stay active and healthy longer.

If you need to reserve a ride, call **1-855-814-1699 (TTY: 711)**, Monday through Friday, 7 AM–8 PM all time zones. Visit **Access2Care.net** to reserve a ride and get more details.
