

# Quick Reference Guide

## Your guide to online Unum Worksite benefit selections

This reference guide will walk you through the process of signing into the enrollment system. You are encouraged to speak with a Licensed Benefit Counselor from our benefit education partner, EFP to learn about your available Unum worksite benefit options and talk through any questions you may have. If you would like assistance, schedule an appointment with an EFP Benefit Counselor [www.EFPnow.com/NCCDE](http://www.EFPnow.com/NCCDE). Your benefits from the previous plan year will rollover to the 2023 plan year if you make no changes.

## Getting Started

To set up your Employee Navigator account, please follow this link:

<https://www.employeenavigator.com/benefits/Account/Register>

**Note: Be sure to use Chrome, not Internet Explorer, when accessing this link**

You will be asked for your First Name, Last Name, the Company Identifier (NCCDE), the last 4 digits of your SSN, and your birth date.

The system will then ask you to create a username and a password.

The best username is generally considered to be your work email address.

### Your Password must:

- Contain a number
- Contain a symbol (ex: ! @ # \$)
- Be at least 6 characters long

### Forgot Your Password or Username?

Click **"Reset a forgotten password"** to reset your password and receive a link in your email to reset the password. You will need to enter your username.

If you forgot your username, follow the forgot password link and then click **"Don't know your username?"** You will need to enter the Company Identifier again (NCCDE), your first name, last name, and the last 4 of your SSN.

### Protect Your Password

Your unique username and password grants you access to your personal information. This electronic 'signature' carries the same authority as your handwritten signature. It authorizes all of your elections and their corresponding deductions from payroll.

Keep this information secret!
