ELDERCARE REFERRALS

Finding the right eldercare is hard. We can help.

Helping an aging parent find the right care is one of the hardest things you'll navigate. You don't have to figure it out alone. When you reach out to Revive, a Care Coordinator can provide pre-screened eldercare resources tailored to your situation.

Common eldercare referrals:

- Nutrition, Meals on Wheels, and cleaning and repairs
- Retirement communities and subsidized housing
- Medical and nursing rehabilitation services
- Support advocacy groups, volunteer opportunities, and adult day care
- Transportation Services

CONFIDENTIAL:
Your privacy is protected. Nothing is shared without your permission.

COST:
Eldercare referrals are a free service paid for by your employer. You are responsible for any costs incurred by the service provider.
